The City of Hermitage is seeking consulting services to continue a single-family owner occupied housing rehabilitation program. This program will be funded under the City's CDBG Entitlement Program / HOME Program. Consulting services requested include: screening applicants for eligibility, conducting property inspections, preparing bid documents and selecting a contractor, establishing project files and ensuring compliance with lead based paint regulations and all other applicable Federal, State and Local regulations.

Interested firms should obtain a "Request for Proposals" (RFP) from the City of Hermitage Office of Planning & Development, 800 North Hermitage Road, Hermitage, PA 16148, (724) 981-0800, Monday-Friday, 8:00 AM-4:00 PM. The RFP includes a project description, scope of services, selection criteria, and proposal submission requirements.

The firm selected must comply with State and Federal civil rights and equal employment opportunity regulations. Involvement by MBE/WBE business and Section 3 is encouraged. All qualified proposals will be given due consideration without regard to race, religion, sex, handicap, or national origin.

Proposals must be received at the City of Hermitage at the above address no later than 4 p.m. on Thursday, November 21, 2024.
